

## Incoming 5th Grade Summer Reading and Math

### Reading

All students are asked to read two books over the summer. The first one is required for all students in the class. For the second book, students may choose to read one of two books. A book report form should be completed for each book.

#### **Required:**

Bridge to Terabithia by Katherine Paterson

#### **Choose 1 of the following books:**

Misty of Chincoteague by Marguerite Henry

Johnny Tremain by Ester Forbes

### Math

The summer math activities are in various formats (on-line games, flashcards, written assignments, etc.). To access the on-line math, please log onto [www.mountcarmelschool.net](http://www.mountcarmelschool.net). Then go to student links, then click Summer Math and Reading. All written assignments should be turned in to your teacher on the first day of school.

- Week 1** Scott Foresman Homework Book. Locate the “Step Up to Grade 5” Section on page 261. Then go to lesson G60, located on page 197, 198, **AFTER** PAGE 261. Complete pages 197-198, lesson G60.
- Week 2** On the Internet, go to:  
[www.mathfactcafe.com/view/view.aspx?vid=600&t=F&g=4](http://www.mathfactcafe.com/view/view.aspx?vid=600&t=F&g=4). Complete any 4 sets of multiplication flash cards.
- Week 3** Scott Foresman Homework Book. Locate the “Step Up to Grade 5” Section on page 261. Then go to lesson G65, located on pages 207-208, **AFTER** PAGE 261. Complete pages 207-208, Lesson G65.
- Week 4** On the Internet, go to:  
[http://www.mathfactcafe.com/view/viewsheet.aspx?vid=600&g=4&f=s\\_e\\_freducec&m=p](http://www.mathfactcafe.com/view/viewsheet.aspx?vid=600&g=4&f=s_e_freducec&m=p)  
Print the worksheet and complete it. Turn it in with your other papers to your fifth grade teacher in September.
